Prabandham along with their esoteric meanings directly from Nammalwar →

Systematization & Devaganam: Setting the 4,000 verses to divine musical notes (*Devaganam*) and appointing his nephews (*Melaiyagatthu Azhwan* and *Keezhaiyagatthu Azhwan*) to chant them at Srirangam → **Yogic Departure:** Attaining mukthi in a state of supreme devotional trance upon mistaking a hunter family for Lord Rama, Sita, and Lakshmana.

2.2 Deep Biographical Narrative

- **Early Years & Spiritual Awakening:** Sri Nathamuni was born in Veera Narayanapuram (Kattumannarkoil) to Ishvara Bhatta. Educated in Vedic literature, logic, and *Ashtanga Yoga*, he spent his youth performing temple service at Veera Narayanapuram. He was deeply devoted to the Lord Mannanar (Veera Narayana Perumal).
- **Core Seva / Kainkaryam:** Recovery, collation, and musical codification of the entire *Naalayira Divya Prabandham*; establishing the *Arayar Sevai* tradition at Srirangam; writing fundamental philosophical treatises on Viśiṣṭādvaita epistemology.
- **Miracles & Historical Events:**
 1. *The Quest for the Lost Hymns:* One day, a group of pilgrims from Kumbakonam visited the Veera Narayanapuram temple and recited ten sweet Tamil Pasurams ending with *Aravamudhe* from Nammalwar's *Tiruvaymoli*. Captivated by their divine sweetness, Nathamuni asked for the remaining verses of the set of 1,000 mentioned in the concluding verse. The pilgrims confessed they knew only those ten. Determined to recover the lost treasure of the Azhwars, Nathamuni traveled south to Kumbakonam and eventually to Alwarthirunagari (Thirukkurugur).
 2. *The Direct Revelation from Nammalwar:* At Alwarthirunagari, Nathamuni met Parankusa Dasa, who taught him *Kanninun Siruthambu*—the eleven verses composed by Madhurakavi Azhwar in praise of Nammalwar. Nathamuni sat beneath the sacred Tamarind Tree (*Thirupuli*) where Nammalwar had sat centuries earlier. Entering *Ashtanga Yoga Samadhi*, Nathamuni chanted *Kanninun Siruthambu* 12,000 times with unbroken devotion. Moved by his resolve, Nammalwar appeared in a divine vision before Nathamuni. He imparted not just the 1,102 verses of *Tiruvaymoli*, but all 4,000 verses composed by all twelve Azhwars, along with their secret Vedic interpretations (*Rahasya Arthas*).
 3. *Instituting Devaganam & Arayar Sevai:* Returning to Srirangam, Nathamuni classified the 4,000 verses into four parts (*Muthal Ayiram, Eryarpa, Thiruvaymoli, Tirumozhi*) and set them to celestial musical scales (*Devaganam*). He instructed his nephews to perform these verses with music and sacred dance before Lord Ranganatha, giving birth to the **Arayar Sevai** tradition preserved in shrines like Srirangam, Srivilliputhur, and Alwarthirunagari.
 4. *The Hunter Vision & Mukthi:* In his elderly years, while residing near Gangaikonda Cholapuram, a local ruler went hunting accompanied by his wife, brother, and a dog. When Nathamuni saw them passing, his yogic mind perceived them as Lord Rama, Sita, Lakshmana, and Hanuman. He ran after them in a trance of divine love. When they disappeared from sight, Nathamuni collapsed in deep agony of separation and breathed his last, ascending directly to Paramapadam.

- **Guru-Disciple Dynamics:** Received direct *Jnana-Upadesha* from Nammalwar in yoga samadhi. He was the Acharya to Uyyakondar (Pundarikaksha) and Kurukai Kavalappan (to whom he entrusted the science of Yoga).
- **Attainment of Paramapadam:** Attained mukthi at Gangaikonda Cholapuram / Veera Narayanapuram through divine absorption in Lord Rama.

💡 **Sthala Puranam & Legend Highlight: The Re-discovery of Dravida Vedam**

Sri Nathamuni's yogic recovery of the *Naalayira Divya Prabandham* under the Thirupuli tree saved the Tamil Veda from permanent extinction. Without Nathamuni's intervention, the devotional legacy of the Azhwars would have been lost to history. His work re-established Tamil as a sacred scriptural language equal to Sanskrit in temple liturgy.

Section 3: Literary, Preservation & Philosophical Contributions

3. **Commentarial Insights:** Vedānta Desika notes that without Nathamuni's unblemished wisdom (*Aklishta Jnana*), the stream of *Ubhaya Vedānta* would not have reached later Acharyas like Yamunacharya and Ramanuja. - **Core Seva / Kainkaryam: Acharya-Wakya-Palanam** (Fulfilling the Acharya's command) through the tactical reclamation of Yamunacharya from royal materialism to spiritual leadership.
- **Miracles & Historical Events:**
 1. *The Thoodhu Valai Greens Strategy:* Young Yamunacharya had won a half-kingdom in a scholarly debate against Akkiyalvan and lived as a monarch (*Alavandar*), immersed in royal politics and luxuries. Remembering Uyyakondar's command to reform Yamunacharya, Manakkal Nambi tried to meet him, but guards turned him away. Learning that Yamunacharya favored a specific culinary green—*Thoodhu Valai* (*Solanum trilobatum*)—Manakkal Nambi gathered fresh greens daily and handed them to the royal cooks for six months without asking for money.
 2. *Reclaiming Alavandar:* One day, Manakkal Nambi abruptly stopped supplying the greens. When Yamunacharya noticed their absence and asked who had been providing them, the cooks explained that an old Brahmin had brought them daily for free. Yamunacharya ordered him to be brought to court. When Yamunacharya offered him gold and lands, Manakkal Nambi replied: "*I seek no wealth. I am here to deliver an imperishable ancestral treasure left for you by your grandfather, Sri Nathamuni.*"
 3. *The Gita Upadesha & Srirangam Revelation:* Manakkal Nambi took Yamunacharya to a private chamber and taught him the deep esoteric truths of the **Bhagavad Gita**.

Gradually, Yamunacharya's royal delusion dissolved. Manakkal Nambi then led him to Srirangam, walked into the sanctum, and pointed to Lord Ranganatha reclining on Adishesha: "*Here is your grandfather's ultimate treasure!*" Overwhelmed by divine grace, Yamunacharya renounced his kingdom on the spot, embraced asceticism, and became the head of the Sri Vaishnava Sampradaya.

- **Guru-Disciple Dynamics:** Prime disciple of Uyyakondar; Acharya to Sri Yamunacharya (Alavandar).

Section 2: Complete Life History & Miracles

2.1 Chronological Life Timeline

- **Child Prodigy & Debate Defeat of Akkiyalvan:** Challenging the arrogant court scholar Akkiyalvan at age twelve, solving complex logical riddles, winning half the Chola kingdom, and earning the royal title *Alavandar* → **Reign as King:** Living as a sovereign monarch in luxury at Chidambaram/Madurai → **Reclamation by Manakkal Nambi:** Instructed via the *Thoodhu Valai* greens strategy and Gita upadesha, surrendering to Lord Ranganatha → **Renunciation & Asceticism:** Abandoning his throne, taking sannyasa, and settling in Srirangam as head of the Sampradaya → **Composition of Philosophical Treatises:** Authoring *Stotra Ratnam*, *Siddhitrayam*, *Gitartha Sangraha*, and *Agama Pramanyam* → **Spotting Sri Ramanuja:** Viewing young Ramanuja at Kanchipuram Varadaraja Temple, blessing him silently (*Amudha Kai*), and proclaiming him the future savior → **Passing & The Three Curved Fingers Miracle:** Departing for Paramapadam; his three folded fingers straightening only after Ramanuja pledged to fulfill his three unfulfilled wishes.

2.2 Deep Biographical Narrative

- **Early Years & Spiritual Awakening:** Yamunacharya was the grandson of Sri Nathamuni, born to Ishvaracharya at Veera Narayanapuram. A child prodigy, he studied under Bhashyacharya. At age twelve, when the arrogant royal scholar Akkiyalvan demanded tribute from his teacher, young Yamuna accepted Akkiyalvan's open debate challenge.

- **Core Seva / Kainkaryam:** Systematizing Viśiṣṭādvaita philosophy in Sanskrit; authoring fundamental texts (*Granthas*); establishing Srirangam as the intellectual headquarters of Sri Vaishnavism.
- **Miracles & Historical Events:**
 1. *The Debate Victory over Akkiyalvan:* In the Chola royal court, twelve-year-old Yamuna posed three statements to Akkiyalvan, challenging him to refute them: 1) "Your mother is not a barren woman." 2) "The Chola King is righteous." 3) "The King's wife is chaste." If Akkiyalvan agreed, he accepted Yamuna's premises; if he refuted them, he committed treason and absurdity! Akkiyalvan was rendered speechless. Yamuna then cleverly refuted all three statements using technical scriptural loopholes. Marveled by his genius, the Chola Queen embraced him, calling him **Alavandar** ("The Conqueror who came to save us"), and the King awarded him half his kingdom.
 2. *Renunciation of the Kingdom:* Reclaimed by Manakkal Nambi through the *Thoodhu Valai* greens strategy and *Bhagavad Gita* discourses, Alavandar renounced his kingdom, royal wealth, and family. He moved to Srirangam, took up ascetic life, and devoted himself to Lord Ranganatha.
 3. *Spotting Sri Ramanuja at Kanchipuram:* While visiting Kanchipuram Varadaraja Temple, Alavandar saw young Ramanuja walking alongside his Advaitic guru, Yadava Prakasa. Recognizing Ramanuja's radiant spiritual aura, Alavandar turned to his disciple Thirukachi Nambigal and remarked: "Amudha Kai!" ("He is the one who will nourish our Sampradaya!"). He blessed Ramanuja from afar, praying that Ramanuja would lead the Sampradaya.
 4. *The Miracle of the Three Curved Fingers:* When Yamunacharya passed away at Srirangam before Ramanuja could reach his side, Ramanuja arrived to find three fingers on Alavandar's right hand tightly folded into his palm. Ramanuja understood that Alavandar had three unfulfilled desires: 1) To write a commentary on the *Brahma Sutras* (*Sri Bhashyam*). 2) To name worthy scholars after Parasara and Veda Vyasa. 3) To name a scholar after Nammalwar (*Shatagopan*). As Ramanuja loudly pledged to fulfill each of these three vows, the three curved fingers straightened one by one, confirming that Alavandar's soul accepted his pledge.
- **Guru-Disciple Dynamics:** Prime disciple of Manakkal Nambi; Acharya to Periya Nambi, Thirukachi Nambigal, Thirukoshtiyur Nambi, and Maraner Nambi. Spiritual grand-guru to Sri Ramanuja.
- **Attainment of Paramapadam:** Passed away at Srirangam in 1041 CE, leaving behind an unshakeable intellectual foundation.

Sthala Puranam & Legend Highlight: The Three Vows at Srirangam

The miraculous straightening of Yamunacharya's three curved fingers (*Three Vows*) sealed the spiritual succession of Sri Ramanuja. It proved that Sri Vaishnavism is an unbroken intellectual and spiritual chain, where the unfulfilled vision of one master is executed by his designated successor.

Original Script (<i>Sanskrit</i>)	ந தர்மனிஷ்டோஸ்மி ந சாத்மவேதீ ந பக்திமான் த்வத்சரணாரவிந்தே । அகிஞ்சனோ஽னன்யகதிஃ சரண்ய ! த்வன்மூலபாதம் சரணம் ப்ரபத்யே ॥

Literal Word-by-Word Meaning	Na: Not; Dharma nishthah: steadfast in prescribed duties (<i>Karma Yoga</i>); Asmi: I am; Na ca: nor am I; Atma-vedi: self-realized in spiritual knowledge (<i>Jnana Yoga</i>); Na

	bhaktiman: nor possessed of intense devotion (<i>Bhakti Yoga</i>); Tvat charanaravinde: at Your lotus feet; Akinchanah: destitute of all merit/helpless; Ananyagatih: possessing no other refuge; Sharanya!: Oh Lord worthy of taking refuge in!; Tvat mula padam: at the sole root of Your divine lotus feet; Sharanam prapadye: I take absolute surrender (<i>Prapatti</i>)!
--	--

Exhaustive Theological & Philosophical Commentary:

1. **Esoteric Meaning (Swaroopā Jñanam):** The quintessential expression of **Akinchanya** (utter helplessness) and **Ananyagatitva** (having no other recourse). Yamunacharya confesses that he possesses no qualifications in *Karma Yoga*, *Jñana Yoga*, or *Bhakti Yoga*. Stripped of all spiritual pride, he surrenders unconditionally at the lotus feet of Lord Narayana, relying solely on God's unconditioned grace.
2. **Viśiṣṭādvaita Alignment:** Formulates the exact qualifications required for **Prapatti** (Surrender). In Viśiṣṭādvaita, *Prapatti* is not performed by those rich in merit, but by those who realize their complete helplessness (*Akinchanya*) and accept God as both the Means (*Upaya*) and the Goal (*Upeya*).
3. **Commentarial Insights:** Sri Vedanta Desika wrote a monumental commentary on *Stotra Ratnam*, identifying this verse as the heart of the entire work. Sri Ramanuja recited this verse daily, declaring it to be the ultimate refuge for every soul in Samsara.

- **Core Seva / Kainkaryam:** Transmitting the core teachings of Yamunacharya to Sri Ramanuja; initiating Ramanuja through *Pancha Samskaram*; sacrificing his eyes and life to preserve the Sampradaya against royal persecution.
- **Miracles & Historical Events:**
 1. *The Initiation of Ramanuja at Madurantakam:* Following Yamunacharya's demise, the Srirangam elders deputed Periya Nambi to travel to Kanchipuram and bring Ramanuja to lead the Sampradaya. Simultaneously, Ramanuja was traveling toward Srirangam. They met at the sacred temple of Eri-Katha Rama in Madurantakam. Recognizing that time was precious, Ramanuja requested immediate initiation. Beneath a Vakula tree in the temple precinct, Periya Nambi performed **Pancha Samskaram** (Branding with holy Conch and Discus symbols, applying Urdhva Pundra, bestowing the secret Mantras, adding the Dasa name, and initiating into worship), officially linking Ramanuja to the Sri Vaishnava lineage.
 2. *The Funeral Rites for Maraner Nambi:* Maraner Nambi, a devoted disciple of Yamunacharya, belonged to an untouchable community. Before passing away, he requested Periya Nambi to perform his final rites so his body would not be touched by non-believers. Periya Nambi performed the full sacred funeral rituals (*Samskara*) for Maraner Nambi as a brother. When conservative scholars criticized him for violating caste norms, Periya Nambi replied: *"I am not greater than King Rama, who performed final rites for the vulture Jatayu, nor is Maraner Nambi lesser than Jatayu!"*
 3. *Martyrdom for the Sampradaya:* When the fanatic Chola King summoned Ramanuja to court to sign a decree stating *"Shivath Paratharam Nasti"* ("There is no deity higher than Shiva"), Koorathazhwan disguised himself in Ramanuja's saffron robes to protect his Acharya. Periya Nambi accompanied Koorathazhwan to the royal court at Gangaikonda Cholapuram. When both refused to sign the decree, establishing Sriman Narayana's supreme causality, the enraged King ordered their eyes to be gouged out. Aged Periya Nambi bore the torture with divine joy. As he was being carried back toward Srirangam, he breathed his last at Tirudanga (Pasupathikoil), attaining supreme martyrdom (*Paramapadam*).

Sthala Puranam & Legend Highlight: Madurantakam & Pasupathikoil

Madurantakam is celebrated as the *Dvaimatha Kshetram* (the place where Ramanuja received spiritual rebirth through Periya Nambi). Pasupathikoil remains the holy shrine of Periya Nambi's ultimate sacrifice, proving that true Acharyas willingly surrender their lives to protect their disciples and the Tattva.
